“As a first-time home buyer, I was very nervous about the mortgage process, but Jim was great the entire time. From our first conversation, he made sure to thoroughly explain every step, so I knew what to expect. I couldn’t have asked for a more knowledgeable and reassuring loan officer for this process. Jim made sure that I was comfortable up until the last form was signed. I will definitely call Jim for any future mortgage needs.”

“Jim was very professional and knowledgeable. This is the second house my wife and I have purchased, but the first one was without Jim’s help. Using Jim the second time around made for a much better experience. He was always quick to answer his phone or email to address our questions. There is no one I’d rather work with for all of my mortgage needs. He’s a 10 out of 10. Thanks, Jim.”
